Professional Summery

During my time at [GAOTek](#) as a front-end developer, I gained hands-on experience in crafting user-friendly interfaces using HTML, CSS, and JavaScript. This role allowed me to contribute to the development of engaging web solutions and sharpen my technical skills. Additionally, my role as a WordPress developer at an import/export company involved customizing websites to meet client needs, further enhancing my proficiency in WordPress development. These experiences equipped me with a diverse skill set in both front-end and WordPress development, preparing me to tackle new challenges in the field.

Skills

- HTML, Tailwind CSS, JavaScript
- React Js, Next Js, Typescript
- Node Js, Git, GitHub
- WordPress developer
- Problem Solving
- Troubleshooting and Debug
- Strong ethic
